Additional comments:

Question 1:Do you agree with the proposed approach for spectrum management?:

Partially

Question 2:Do you agree with the proposed approach for Business Radio assignments?:

No comment - not qualified

Question 3:Do you agree with the proposal to allocate spectrum for Maritime and/or Land Search and Rescue use? :

No comment - not qualified

Question 4:Do you agree with the proposal to make some spectrum not currently assigned to other applications available on a temporary for Amateur Radio use with these restrictions?:

We would be happier if (a) the allocation was an additional 2MHz (146 to 148 MHz - in line with many other countries) and (b) the Notice of Variations were available to ALL three classes of UK Amateur Radio Licence (Foundation, Intermediate and Full).
