What about 0845 0844 numbers when you call them is like 2p-5p min and around 20p-40p from mobiles sometimes is cheaper to call 0870 then them they should be regulated

There is almost no difference between them and stealing money from people all the time thigs get "lost in post" they costumer services are always 0870 0871 or 0845 you can spend hours waiting on line just to be disconnected for no apartment reason.

And terms and conditions are written down in way to misled you. Change often and they only available online but when they change them the old ones are deleted .

They simply trying to force the people who sign up to they contracts to gave up .
