

Email response received 16 August from Mr S Atkinson G3YPS:

Response: consultation document to reform amateur radio licensing (Of 243)

Answers to Annex 3 (p27)

- 1) Yes
- 2) No – Ofcom must maintain a database of licensees to maintain integrity of the amateur service otherwise the service is open to abuse.
- 3) Yes
- 4) No – Not everyone has IT facilities.
- 5) Yes
- 6) No – Am totally against deregulation, this would be disastrous & sound the death knell for the amateur service.
- 7) Not in favour – But if it must be, then 5 yr intervals.
- 8) NO – it is not over burdensome to the licensee. The scope & limitations are clearly defined in the licence doc.
- 9) Yes – as long as it is not excessive
