Gentlemen

May I refer to the above issued 26/5/05, on any possible reformation of any amateur radio licensing.

Alternative 2 as set out is preferable.

It does seem that ofcom are familiar with the many aspects of the hobby now, which was not perhaps the case early on.

Objectives as set out on page 6 of the august RUGBY house journal RADCOM are valid

Yours truly, W.H.C.Wheeler (licensed as G3BFC in 1946)
