

Email response received 25 April 2005 from Mr Grenville Richardson:

Responses to Consultation questions 1 to 9:

Q1. Yes

Q2. Yes

Q3. Yes

Q4. Yes

Q5. Yes

Q6. Yes. Any really necessary regulatory control/discipline over use would be impractical.

Q7 Poss Yes. Only if another form of licensing recorded legitimate users so the abusers could be sanctioned.

Q8. Yes. Because procedures and records would become haphazard

Q9 No. Because what is proposed reduces cost and beaurocracy.
