

## **Caerphilly County Borough Council**

As Leader of Caerphilly County Borough Council I would support wholeheartedly the statement made by Rhodri Williams, Director Wales, Ofcom "Public call boxes are especially important in parts of rural Wales where mobile reception cannot be relied upon. Ofcom believes that decisions on whether to retain or remove public call boxes should only be taken in consultation with local authorities, residents and voluntary organisations."

Councillor Harry Andrews, MBE  
Leader, Caerphilly CCBC  
01443 864400.
