

Swallow Parish Council, Lincolnshire

Dear Mr Paterson

Swallow Parish Council has objected separately to BT to the removal of the Payphone in Cuxwold.

My Council now wishes to formally respond to the review of the universal service obligation.

My Council does not wish to see this obligation put aside. The agreement to maintain Payphone boxes was part of the 1984 Privatisation which placed the sole financial responsibility for phone boxes upon BT. The number of payphone boxes has already been reduced. My Council looks to Ofcom to support the retention of those vital to isolated communities.

Yours sincerely

Mrs V M Hewins

Clerk to Swallow Parish Council
