Dear Sirs

### **OFCOM REVIEW OF THE UNIVERSAL SERVICE OBLIGATION**

With reference to your letter dated 22 July 2005 (received 28 July 2005), I am responding at officer level to support the proposal to take into consideration issues including the need to make emergency calls, type of housing in the area etc when it is proposed that a public call box is to be removed.

It is also welcomed that the consultation period is proposed to be lengthened from 42 days to 90 days.

Yours faithfully

**Anthony Chaney**  
**for Head of Planning and Development**
