

OfW 383: Form for Link Registration in the 71.125-75.875 GHz and 81.125-85.875 GHz bands (April 2007)

1. Please read guidance notes OfW369 for additional information, available from:
<http://www.ofcom.org.uk/radiocomms/ifi/licensing/classes/fixed/scl/>
2. Link registrations in the 71.125-75.875 GHz and 81.125-85.875 GHz ("70/80 GHz") bands must not be made until a licence has been issued to you.
3. When submitting a link registration, you are advised not to commit to the purchase of the equipment until your registration appears online on the 70/80 GHz section of Ofcom's wireless telegraphy register (the "Register").
4. It is a requirement of the Wireless Telegraphy Act 2006 that no radio equipment shall be installed or used in the UK, except under the authority of a licence granted unless it is licence exempted. It is a condition of such a licence that the performance of the equipment must meet the minimum licensing requirements specified in the Interface Requirement 2000.
5. The Wireless Telegraphy (Licence Charges) 2005 Regulations set out the fees for licences to use radio equipment issued under the Wireless Telegraphy Act.
6. Please complete this form in dark ink.
7. Incorrectly completed forms will be returned to the licensee.
8. Please send your completed form to:
