

TARGETED TRANSIT CODE (“TTC”) APPLICATION

The TTC application form is divided into three parts as follows:

Part A – provider of the originating Public Electronic Communications Network,
Part B – provider of the transiting Public Electronic Communications Network, and
Part C – provider of the terminating Public Electronic Communications Network.

Each part of the Form should be completed and submitted, separately, to OfTel’s Numbering Unit, by the relevant provider. If you are both the originating and terminating provider then you should completed both Parts A and C, and submit them together.

Definitions and Interpretation

1. Save where the context otherwise requires, words and phrases used in this Application Form shall have the same meaning as in the Communications Act 2003, the General Conditions of Entitlement set by the Director from time to time under section 42 of the Communications Act 2003, or the National Telephone Numbering Plan.
2. The Interpretation Act shall apply as if this Application Form were an Act of Parliament.

<p>3. <u>Communications Provider details:</u></p> <p>If different from 2. above (eg where you are a consultant, solicitor, etc), provide the name and address of the Communications Provider on behalf of whom you are applying for Telephone Numbers.</p>	
<p>4. <u>Declaration of ‘Public Electronic Communications Network’ or ‘Public Electronic Communications Service’</u></p> <p>The information requested in Annex A helps OfTel to assess your eligibility to be allocated Telephone Numbers.</p> <p>If you are a provider of a Public Electronic Communications Network:</p> <p>confirm whether you have previously supplied the information requested in Annex A (or information equivalent</p>	<p><i>(For providers of Public Electronic Communications Networks, please ensure you <u>have</u> previously supplied the information requested, before you confirm this – your application may be rejected if this is not the case).</i></p>

to it), to Ofstel's Numbering Unit; or

if not, you must complete in full all relevant questions in Annex A and submit it along with this form.

If you have previously supplied the information in Annex A, then move onto the next question – you do not need to submit Annex A with this form.

If you are a provider of Public Electronic Communications Services:

you **MUST** complete all relevant questions in Annex A each time you apply for Telephone Numbers and submit it with this form.

5. Other providers applying for TTC:

Ofstel needs to know the other providers who will be applying for the same TTC(s) as your company.

Would you confirm the name of the:

- a) provider of the **transiting** Public Electronic Communications Network, and
- b) provider of the **terminating** Public Electronic Communications Network.

6. Telephone Numbers (TTC) required:

State how many TTCs are required, and provide details and a justification where more than one TTC is required.

NB. Ofstel will select the actual TTC(s) – you do not need to select the codes.

The same TTC(s) will be allocated jointly to the three providers (as appropriate).

7. Adoption of existing Telephone Numbers - TTCs:

Provide details of any TTCs that you have been allocated to date, and provide a justification for additional TTCs - consistent with its duty in the Communications Act 2003 to secure best use of numbers Ofstel requires a justification for applying for further numbering capacity.

(You should e-mail this application form to numbering.applications@ofstel.gov.uk)

Form S13 (Part A) - Annex A

A1. Confirmation of Status:

Oftel generally only allocates Telephone Numbers to providers of Public Electronic Communications Networks.

Oftel may also allocate numbers, in circumstances where the provider has been unable to obtain a sub-allocation from a provider of a Public Electronic Communications Network and where number resource implications do not preclude allocation, to providers of Public Electronic Communications Services. Oftel would also normally expect to see that the provider has arrangements in place for its service to be carried over a network.

In order to determine whether or not you are a provider of a Public Electronic Communications Network, Oftel needs certain information from you. Please provide details of:

- a) the Electronic Communications Network on which the Telephone Numbers applied for are intended to be Adopted;

(a diagram may be useful to assist Oftel in assessing your eligibility for Telephone Numbers).

- b) the Electronic Communications Service which you are intending to provide over that network;

Please note that it is not Oftel's intention for a Communications Provider to be assessed more than once to determine whether or not it is a provider of a Public Electronic Communications Network. Therefore if you have answered yes to Question A4(a) below, you do not need to answer questions A1(a) and (b) above,
