

11 October 2002

Dear Mr. Redwin:

On behalf of Cisco Systems, I am writing to you in support of the Final Proposals on the Proposed Consolidated Wireless Telegraphy License-Exemption Regulation, recently issued by the Secretary of State and the Radiocommunications Agency ("Agency"). Cisco Systems is a manufacturer and user of RLAN products in the 5 GHz band, and a member of the Wi-Fi Alliance. Cisco strongly supports the Agency's proposals in the consultation, and believe that permitting public RLAN use of 5 GHz spectrum, in conformity with global trends, will provide significant benefits to business and to the citizens of the United Kingdom.

Yours sincerely,

/sig/

David Skellern
