

Mr. Redwin

On behalf of Fujitsu-Siemens Computers Ltd., we are writing to you in support of the Final Proposals on the Proposed Consolidated Wireless Telegraphy License-Exemption Regulation, recently issued by the Secretary of State and the Radiocommunications Agency. Fujitsu-Siemens Computers Ltd. is a provider of RLAN products in the 5 GHz band, and a member of the Wi-Fi Alliance. We strongly support the Agency's proposals in the consultation, and believe that permitting public RLAN use of 5 GHz spectrum, in conformity with global trends, will provide significant benefits to the citizens of the United Kingdom.

With best regards
