Dear Sir,

On behalf of Sony Europe, we are writing to you in support of the Final Proposals on the Proposed Consolidated Wireless Telegraphy License-Exemption Regulation recently issued by the Secretary of State and the Radiocommunications Agency.

Sony is a manufacturer of RLAN products in the 5 GHz band and a member of the Wi-Fi Alliance. We strongly support the Agency's proposals in the consultation and believe that permitting public RLAN use of 5 GHz spectrum, in conformity with global trends, will provide significant benefits to the citizens of the United Kingdom.

Yours faithfully,
