

Mr. Redwin:

On behalf of Toshiba America Research Inc. (TARI) we are writing to you in support of the Final Proposals on the Proposed Consolidated Wireless Telegraphy License-Exemption Regulation, recently issued by the Secretary of State and the Radio Communication Agency.

TARI is a Research Organization doing Research on WLAN, and a member of the Wi-Fi Alliance. We strongly support the Agency's proposals in the consultation, and believe that permitting public WLAN use of 5 GHz spectrum, in conformity with global trends, will provide significant benefits to the citizens of the United Kingdom.

Best Regards
