Dear Sir

PMR (STANDARD) UK GENERAL LICENCE

I refer to your letter dated 28 August 2001 enclosing a copy of a Consultation Document detailing your proposals for changes to the licensing arrangements and requesting our comments.

My only reservation would be if the proposed changes resulted in an increase in the number of users operating on our frequency (and associated tone lock) and the resultant difficulties this may cause to our operations where very regular clear communication is essential.

Yours faithfully

Bryan Mercer
