1. About this document

The purpose of this form

1.1 You should complete this form if you are applying for a short-term restricted service licence (“SRSL”). You can find further information about SRSLs in paragraphs 2.1 to 2.6 of the Guidance notes for licence applicants and licensees: https://www.ofcom.org.uk/manage-your-licence/radio-broadcast-licensing/apply-for-a-radio-broadcast-licence

When to apply

1.2 Applications must be submitted no earlier than 180 clear days (i.e. six months) before the proposed broadcast start date.

1.3 Applications must be submitted no later than 60 clear days (which is approximately two months) between the date Ofcom receives the application and the proposed broadcast start date.

1.4 By “clear days” we mean that we will not count the date of receipt or the start date of broadcast and will only count the whole days in between those two dates. Where the deadline falls on a weekend or public holiday, we will deem it to have fallen on the first weekday that is not a public holiday immediately preceding it.

1.5 UK public holidays will be taken to mean those defined by the UK Government and published as bank holidays https://www.gov.uk/bank-holidays. To take account of the fact that Scotland and Northern Ireland have more public holidays than England and Wales, we will count the public holidays applicable to the country of the UK in which the proposed broadcast will take place.

1.6 For periods of high demand we may not apply our general first-come, first-served approach. Instead, Ofcom may invite applications to be submitted within a specified window and different timescales are then likely to apply (see section 5 of the Guidance notes for licence applicants and licensees).

How to complete the form

1.7 There are detailed instructions on how to complete this form, and information on the next steps in the application process, in our Guidance notes for licence applicants and licensees. Please read this guidance and the frequently asked questions carefully before completing this form: https://www.ofcom.org.uk/manage-your-licence/radio-broadcast-licensing/apply-for-a-radio-broadcast-licence
1.8 We request that applicants download the current editable version of the application form from our website and complete it on a computer.

1.9 **Ofcom will reject applications made using an old version of the form.**

1.10 Ofcom will accept handwritten application forms but they must be filled in using block capitals and black ink.

1.11 **Ofcom will reject application forms that are illegible.**

1.12 You must answer all questions in the application form and respond “N/A” to any questions that do not apply to the applicant.

1.13 **Ofcom will reject applications which do not meet the following criteria:**

   i) The declaration in section 11 of this form must be dated.

   ii) In the case of an applicant who is a company, the declaration must be made by a director of the company or the company secretary.

   iii) All supporting documents as requested in the checklist on page 36 of the application form must be supplied.

1.14 If you are completing the form as an agent, i.e. you are acting on the applicant individual’s or company's behalf, please make this clear in an accompanying letter, and provide evidence of your authority to act on behalf of the applicant. The form should be filled in so as to include information about the applicant, not the agent. If Ofcom has further questions once the application has been submitted, we will direct these to the applicant, not to the agent, but we will accept responses from the agent.

**How to submit the form**

1.15 Application forms and required supporting documents must be submitted by email to broadcast.applications@ofcom.org.uk. Handwritten applications and required supporting documents should be scanned and attached to the email.

1.16 You should receive an auto-response from broadcast.applications@ofcom.org.uk confirming that your application has been received by Ofcom. If you do not receive a response, it is likely your application has not been received and you should contact the call Ofcom’s Contact Centre on 0300 123 3333 and ask for the Broadcast Licensing team who will be able to confirm if your application was received.

1.17 If there is a compelling reason why the applicant cannot submit the application form and/or the supporting documentation by email, the applicant must contact Ofcom in advance (at least one week in advance of any submission deadline) to discuss this. In such cases please call Ofcom’s Contact Centre on 0300 123 3333 and ask for the Broadcast Licensing team, or email broadcast.licensing@ofcom.org.uk. If permission is given, the applicant must write “SRSL application” on the envelope.
1.18 Ofcom will post an acknowledgment of applications received by post within five working days of receipt.

1.19 Ofcom will reject applications submitted by post without Ofcom's prior approval.

**Application fee**

1.20 A £400 non-refundable application fee is payable.

1.21 Applications will not be assessed (or, where appropriate, entered into a draw) if the application fee has not been received into Ofcom’s bank account.

1.22 Ofcom requests that applicants pay the application fee by bank transfer (BACS/CHAPS) and that immediately after the applicant has instructed their bank to make the payment, confirmation of payment is emailed to ofcom.remittances@ofcom.org.uk and copied to broadcast.licensing@ofcom.org.uk.

1.23 Electronic bank transfer payments must be received in Ofcom’s bank account no later than five working days after the application has been sent to Ofcom. i.e. if we receive an application on a Monday, the fee must have been received by the end of the day on the following Monday. We therefore advise that you to instruct your bank to make the payment on the same day the application form is sent electronically.

1.24 To ensure that Ofcom can identify the payment, it must include a payment reference which is the applicant’s postcode followed by their surname (or as much of their surname as is possible to provide within the character limit set by the bank) as provided in response to question 2.6 below.

1.25 If the applicant is unable to make the payment by bank transfer, a cheque should be made out to ‘Ofcom’ and sent in the post. You must state the name of the applicant as provided in response to question 2.2 and proposed service name on the back of the cheque.

1.26 If an applicant is paying the application fee by cheque, the cheque must be received within five days of the application being received by Ofcom. In the case of a period of high demand where Ofcom puts competing applications into a draw, cheques will be banked before any draw is conducted. If an applicant’s cheque bounces, the application will be rejected prior to the draw.

1.27 Ofcom will reject applications in relation to which the required fee has not been received within the deadlines set out above.

**Licence fee**

1.28 If Ofcom decides to grant a licence to broadcast to the applicant, please be aware that broadcasting cannot commence until both a Broadcasting Act licence and a Wireless
Telegraphy Act licence have been issued. Payment of the associated licence fees\(^1\) must be received before licences are issued.

1.29 **For the avoidance of doubt: there are three fees associated with an SRL:**

a) the £400 application fee; and if the application is successful:

b) the Broadcasting Act licence fee; and

c) the Wireless Telegraphy Act licence fee.

### Supporting documentation

1.30 Please refer to the checklist in section 10 of this form for full details.

1.31 **Ofcom will reject applications with which the necessary documents are not supplied in legible form.**

1.32 Please note that Ofcom cannot receive emails larger than 35MB. If your application email exceeds this limit please send your supporting documents in a separate email(s) clearly indicating the applicant’s name in the subject line of the email.

### For individuals applying for a licence:

1.33 Individuals applying for a licence must provide:

- **Proof of identity:** a copy of the individual’s UK passport or driving licence; and

- **Proof of address:** copy of any of the following, showing the individual’s name and home address and dated within the past three months: a utility bill (not including a mobile phone bill); a bank, building society or credit card statement; a Council Tax bill; official personalised correspondence from a bank, building society, utility (not including a mobile phone provider), a court; or a government institution. Please note that Ofcom does not accept a driving licence as proof of address for this purpose. The name of the applicant must match the name on the documents provided. If you are unable to provide these, or wish to propose the use of an alternative, please contact Ofcom before you submit your application.

### For body corporates applying for a licence:

1.34 A copy of the Memorandum and Articles of Association (or, if a body corporate without such, the nearest equivalent, along with a translation, if it is not in English), together with copies of any resolution amending or updating them.

---

1.35 Please note, if the applicant’s current Memorandum and Articles of Association are available on the Companies House website, this can be stated in question 2.5 of this form and the documents do not need to be submitted with the application.

1.36 Body corporates applying for a licence must provide an organisational chart showing the ownership structure of the applicant body, including percentages for shares held in it and for shares held by it in other companies to which it is connected.

1.37 A copy of the last Annual Return (or if the entity is recently established such that it has not yet been required to make that return, a copy of all filings made to Companies House since incorporation).

1.38 A copy of the most recent accounts of the applicant (not applicable to recently established entities).

**Provision of information**

1.39 Ofcom requires complete and accurate information to assess applications. In particular, we must be satisfied that those applying for a licence are ‘fit and proper’ to hold a licence and are not disqualified from participation in a licence.

1.40 It is an offence under the Broadcasting Act 1996 (as amended) to provide false information or withhold relevant information during the application process, and may be grounds for revocation of a licence subsequently granted.

**Publication of information about applications and licensed services**

1.41 When a licence is granted, the name of the service, public contact details for the licensee, duration of the licence and a brief description of the licensed service are published on the Ofcom website. These are the details supplied by the applicant in the application form. If you have any questions about the information that we publish, or there are any changes to this information, you should contact the Broadcast Licensing team by email (broadcast.licensing@ofcom.org.uk).

1.42 Ofcom considers issued SRSLs to be public documents and copies of licences will be made available to third parties on request, noting that personal data apart from the name of the licensee may be redacted.

**Data Protection**

1.43 We require the information requested in this form in order to carry out our licensing duties under the Broadcasting Act 1990, Broadcasting Act 1996 and Communications Act 2003. Please see Ofcom’s General Privacy Statement www.ofcom.org.uk/about-ofcom/foi-dp/general-privacy-statement for further information about how Ofcom handles your personal information and your corresponding rights.
Keeping up to date with broadcasting matters

1.44 We strongly recommend that you/the appropriate person at the applicant body, signs up to receive Ofcom’s regular email updates on broadcasting matters including notification when the Broadcast Bulletin is published.

1.45 To sign up to receive these communications, you must visit https://www.ofcom.org.uk/about-ofcom/latest/email-updates and select ‘Broadcasting.’

5. Eligibility requirements

About this section

Ofcom has a duty to ensure that anyone who applies for a broadcasting licence is fit and proper to hold one.

When considering whether an applicant is fit and proper to hold a licence, Ofcom will look at – for example – whether individuals who are likely to exercise control over the applicant and its activities (e.g. directors, substantial shareholders or members) have any criminal convictions (in any jurisdiction), or whether they have ever been declared bankrupt.

In addition, certain categories of people are disqualified from holding a licence, or participating above a certain level in a body which holds a licence. These restrictions are set out in Part 2 of Schedule 2 to the Broadcasting Act 1990.

Please note: information provided in this section of the form will not necessarily result in the applicant being refused a licence – this will depend on all the circumstances of the applicant as a whole – but Ofcom may ask for further details.

Before completing this section of the form, you should read paragraph 9.49 to 9.55 of Ofcom’s Guidance notes for licence applicants and licensees: https://www.ofcom.org.uk/manage-your-licence/radio-broadcast-licensing/apply-for-a-radio-broadcast-licence

**About this section**

Section 6 asks you to describe your programme service and its target audience.

If a licence is granted the information you provide in this section will be used to form the basis of an annex to your licence. You will only be authorised to broadcast what is detailed in the annex of the licence. It is therefore important that you provide complete and detailed responses to the questions in this section.

If you are granted a licence and decide subsequently to change your content, you must contact Ofcom in advance so that the change is specifically reflected in the annex to your licence. Such requests must be made in writing via email to broadcast.licensing@ofcom.org.uk prior to any change.

**General**

Please see this page on the Ofcom site: https://www.ofcom.org.uk/manage-your-licence/radio-broadcast-licensing/small-scale-DAB-licensing for our current position.

8 Extended period AM licences are an exception to this rule.
7. Compliance of the service

About this section
Section 7 asks you to describe the compliance arrangements for the proposed licensed service, i.e. the arrangements which the applicant will put in place to ensure the content it proposes to broadcast will comply with the relevant regulatory codes and rules for programming and advertising. These include:

- The Ofcom Broadcasting Code.
- The BCAP Code: the UK Code of Broadcast Advertising.
- The Phone-paid Services Authority Code of Practice.

Condition 15(2) of a SRSL licence requires that you have compliance procedures in place, and this section asks that you demonstrate the ability to meet this licence condition.

You must read the notes of guidance.

It is the responsibility of the licensee to ensure that all material broadcast on the service, both live and pre-recorded (and including material sourced from third parties) is compliant with all the Ofcom’s codes and rules.

Ofcom can impose sanctions on a licensee for serious, deliberate, repeated and/or reckless breaches of the licence conditions (for example, if broadcast content does not comply with the codes and rules). The sanctions available to Ofcom include the imposition of a financial penalty on the licensee, and/or revocation of the licence.

Before completing this section of the form, you should read paragraphs 9.63 to 9.72 of Ofcom’s Guidance notes for licence applicants and licensees: https://www.ofcom.org.uk/manage-your-licence/radio-broadcast-licensing/apply-for-a-radio-broadcast-licence where you will also find links to the codes and rules listed above.

7.3 Please give details of any practical compliance experience (including dates) the person named in response to question 2.8 has with respect to the relevant codes and rules.

7.4 It is a licence requirement that a licensee must ensure that all programming on its service (broadcast at any time of the day or night) complies with Ofcom’s codes and rules. Set out in detail below the system the applicant intends to have in place to ensure it will be able to comply with the codes and rules at all times while the service is broadcasting.
7.5 How does the applicant intend to train staff in compliance procedures? Please include details of the compliance training that will be given to those responsible for live programming, including compliance staff, presenters and producers.

7.6 Will the training described in response to question 7.5 be mandatory for all staff and volunteers? If not, outline who will receive it.
7.7 Set out in detail below how the applicant intends to ensure that live content will comply with Ofcom’s codes and rules.

7.8 Set out in detail below how the applicant intends to ensure that pre-recorded material will comply with Ofcom’s codes and rules. Pre-recorded content could include, for example, material obtained from, or streamed from, third party sources as well as content produced by the station.

7.9 What languages does the applicant intend to broadcast in?
7.10 For each language listed in response to question 7.9, please name the compliance team member(s) who are fluent in each language who will be responsible for ensuring that content broadcast in that language complies with the Ofcom’s code and rules. (Expand the table if necessary).
