Hello all

Neil McEvoy has submitted evidence to the inquiry on lobbying currently being undertaken by the Standards Committee and as predicted he has mentioned Ofcom being a client of Deryn.

As you are aware, he has been vocal in his criticism of lobbying in Wales and has previously made defamatory comments about Deryn. We're believe that this committee inquiry will be a great opportunity to have an open, mature discussion on lobbying in Wales and improving transparency.

As you are aware we are members of the Industry body the APPC and publish a list of all of our clients quarterly and follow their code of conduct.

Happy to discuss further

Nerys

Relevant section re Ofcom -

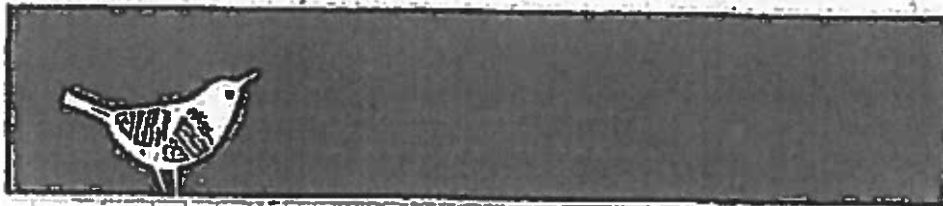

2. 6.2.3 Also in July the Director of a lobbying firm was publicly criticised for sitting on the governance committee of Associated Community Training (ACT), while also maintaining ACT as a client of her lobbying firm.⁵ ACT received significant Government funding. I note that the same Director also sits on Ofcom's Advisory Committee for Wales, while also maintaining Ofcom as a client of her lobbying firm.

I hope you have received the new PO for the next 6 months monitoring service. If not the number is 4100031517 if you could send the monthly invoices direct to London quoting this number.

Great to see you last week.

Thanks

Dear

I'm just doing the invoking and note that the agreement we had for 6 months finished mid-August. I was wondering whether you wanted to extend the agreement, in which case I would need another PO to take us pas the As we began mid-month, we still have left to invoice on this PO. I'm happy to hold off invoicing until you decide at your end whether you would like continue or not.

Dear Supplier

As part of our drive to ensure that we are providing an optimum service with regards to your account with Ofcom, we are asking that you provide a copy of your latest Statement of account with Ofcom (statement of outstanding / overdue invoices) for review.

This statement will be reconciled with the Ofcom internal financial records to ensure that both statements are accurate and that Ofcom is compliant with its audit requirements. This could also serve to highlight any outstanding invoices which have not been registered, helping to prevent delays in remitting payments.

Please provide a current statement of account to the following email address:

payables@ofcom.org.uk

Your co-operation is much appreciated. However if you any queries or concerns in relation to this request please contact Accounting Services on 0207 783 4930

Morning Cathy

As I mentioned last week these invoices need to be emailed direct to the accounts team in our London office (details on the PO) quoting the PO number sent through from the system last week.

All invoices should sail through now the PO is up and running so no delay in payment.

Thanks

Hi Cathy
Was just going to email you too – we finally have a PO! You will need to re-send all the outstanding invoices quoting the PO number otherwise finance will just chuck them back. There is an email to send them to indicated on the PO which will go straight to our accounts people in London who will arrange payment – they don't come through this office at all.
Thanks for your patience.

Hi

How are you? I hope all is well.
As per terms letter the monitoring is £543 per month plus VAT, so a total of 643, a month.

Elin Llyr has forwarded the relevant info to Zena yesterday.

Do let us know if you need any further information.

Thanks for your email. I have not been able to raise a PO for your work as yet as I understand from our finance people that they are waiting for some details from you before

we can set you up on our system to start paying your Invoices. I think my colleague Zena Ross emailed you again yesterday.

Also your paperwork from you and Narys states a monthly fee of S.43 not S.431 - this is the amount I am raising the PO for - 6 months at £543. Please can you confirm this is correct otherwise I will need to change all the paperwork again.

Thanks
