

Application for a Notice of Variation (NoV) for a Special Event Call sign - OfW287

Guidance for completing this form

Who should use this form

You may use this form to apply only for a Notice of Variation for a special event call sign.

Conditions

Under the Wireless Telegraphy Act 2006, you must have a licence issued by Ofcom before you establish or use any amateur radio station or apparatus.

Communication preference

Where possible, we send correspondence to licensees electronically. This is quicker for you. By providing your email address, we assume that you wish to receive correspondence and notifications relating to Wireless Telegraphy Act licences electronically and not on paper. If you do not wish to receive documents electronically, please indicate this by ticking the relevant box on the application form.

Completing this form

When completing this application either electronically or on paper please refer to the notes. If you are applying by paper, please complete in dark ink in BLOCK CAPITALS.

All fields are mandatory unless stated otherwise. If you do not provide a telephone number and e-mail, it may delay the processing of this form. If you need to supply further information or clarification, please write on a separate sheet of paper and attach it to this form.

General information

The Office of Communications (Ofcom) is responsible for regulating the use of the civil radio spectrum in the United Kingdom. Regulation is necessary to ensure optimal use of the limited radio spectrum.

The regulations governing radio are, in general, derived from the International Telecommunication Union (ITU) Radio Regulations, relevant EU Directives and the Wireless Telegraphy Act 2006.

How we use your data

We require this information in order to carry out our licensing duties under the Wireless Telegraphy Act 2006.

Please see Ofcom's General Privacy Statement for further information about how Ofcom handles your personal information and your corresponding rights: www.ofcom.org.uk/about-ofcom/foi-dp/general-privacy-statement
