IF NECESSARY: Social media is where you connect with others through activities such as posting and reading messages, using ‘chat’ functions within games, sharing photos or videos, reading or posting comments, or choosing to ‘follow’ or ‘friend’ other people. Social media sites or apps require users to create a profile or account to find and connect with other users.

IF NECESSARY: Messaging apps like WhatsApp, Facebook Messenger, Viber or Telegram allow you to send messages instantly to individuals or groups of people and are mostly used on smartphones once you have downloaded the relevant app. As they are a form of instant message they tend to have more features available to users and are cheaper than sending a standard text message.
