

**Direction under section 106(3) of the Communications Act 2003 applying the electronic communications code**

**Background**

1. Zoom Internet Limited, whose registered company number is 09649178, has applied to Ofcom for a direction applying the Code to it.
2. The date on which Ofcom received a completed application that meets the statutory requirements with respect to the content of an application for a direction applying the Code and the manner in which such an application is to be made was 4 May 2021.
3. By virtue of regulation 3 of the Electronic Communications and Wireless Telegraphy Regulations 2011 (SI 2011 No. 1210), except in cases of expropriation, Ofcom must make its decision within 6 months of receiving the completed application.
4. Prior to giving a decision under section 106(3) of the Act to apply the Code to Zoom Internet Limited, Ofcom must publish a notification of its proposal to give the direction and consider any representations about that proposal that are made to Ofcom within the period specified in the notification.
5. On 14 July 2021, Ofcom published a notification in accordance with section 107(6) of the Act of its proposal to give a direction applying the Code to Zoom Internet Limited. That notification invited representations to Ofcom by no later than 5pm on 14 August 2021.
6. Ofcom received one representation about the proposal. The respondent was concerned that if Zoom Internet Limited were to deploy a fibre network, consumers might confuse it with the respondent's business which has some similarities.
7. Having considered the response, Ofcom concluded that the matters raised by the respondent have no bearing on the proposal.
8. For the reasons set out in the explanatory statement accompanying Ofcom's consultation, Ofcom has had regard, in particular, to each of the matters set out in section 107(4) of the Act. Furthermore, Ofcom has considered and acted in accordance with its general duties in section 3 of the Act and the six requirements in section 4 of the Act.

9. Ofcom hereby directs, in accordance with section 106 of the Act, as follows—

  - (b) that application of the Code shall have effect throughout the United Kingdom.
10. This Direction shall take effect on the day it is published.
