Additional comments:

Vodafone is a Communications Provider with number blocks in the five areas where it is proposed to remove local dialling. We are comfortable with the proposals and in line with Bournemouth, will fully engage with the industry co-ordination & communication exercise.

Question 1: Do you agree with our proposals that local dialling should be closed in the Five Area Codes - Aberdeen (01224), Bradford (01274), Brighton (01273), Middlesbrough (01642) and Milton Keynes (01908) - on 1 October 2014?:

Vodafone agrees with the proposals.

Question 2: Are you aware of any local or national events that may dilute consumer awareness communications/any other factors suggesting that 1 October 2014 is an unsuitable date/time of year to introduce the proposed changes to local dialling?:

No.

Question 3: Do you have any comments on the proposed modifications to the Numbering Plan set out at Annex 4 and/or on our view as to how the proposed modification meets the relevant legal tests in section 60(2) of the Act?:

Vodafone is satisfied that the proposed modifications adequately convey the situation regarding local dialling in the relevant areas.
