Question 1: Do you agree that the existing obligations on Channel 3 and Channel 5 licensees in respect of national and international news and current affairs, original productions, and Out of London productions should be maintained at their current levels? If not, what levels do you consider appropriate, and why? :

As previously sent except Question 7.

Question 2: Do you agree with ITV's proposals for changes to its regional news arrangements in England, including an increase in the number of news regions in order to provide a more localised service, coupled with a reduction in overall news minutage? :

Question 3: Do you agree with UTV's proposal for non-news obligations should be reduced to 90 minutes a week? If not, what alternative would you propose and why? :

Question 4: Do you agree with the proposals by STV to maintain overall minutage for regional content in the northern and central licence areas of Scotland at 5 hours 30 minutes a week, as detailed in Annex 3? If not, what alternative would you propose, and why? :

Question 5: Do you agree with the proposals by ITV to maintain the overall minutage for regional content in Wales at 5 hours 30 minutes a week, as detailed in Annex 3? If not, what alternative would you propose, and why? :

Under my amendment to ITV's proposal, Wales would remain unaffected.

Question 6: Do you agree with the proposals by ITV to reduce the overall minutage for regional content in the Channel Islands from 4 hours a week to 3 hours 20 minutes as detailed in Annex 3, while maintaining the present provision of a 30 minute early evening regional news programme? If not, what alternative would you propose, and why? :

Question 7: Do you have any views on any other aspects of the nations and regions programming and production obligations of the Channel 3 licensees? :

Should ITV's non-News (Regional) obligations be dropped?

Having thought more about this matter, could ITV's Political programming be more integrated into their Regional News service? If ITV had to produce 2 x 10 minute Pan-Regional Political segments within for the English and Channel Islands Regions per week, this could allow more people to see this important contribution to their Region. For the Border region, this could be 5 x 10 minute segments instead of the separate hour long programme proposed by ITV.

Question 8: Which option would you prefer in respect of the news and current affairs in the Border region, and why? :

20 minute Sub-Regional News produced within the Border region + 5 x 10 minute Political segments. For the English regions 20 minute Sub-Regional News + 10 minute Pan-Regional News (of which 2 of these 10 minute segments would be for Political matters).

Question 9: If option 2 were to be adopted, should ITV be required to provide separate transmission for the Scottish and English parts of the region on DTT? :

Question 10: If you would prefer a different option to those set out in Questions 8 and 9 above, please explain what, and why:

Question 11: Do you agree that the Border licence should be amended to reduce the proportion of regional production required to a sustainable level? If not, what proposals would you like to make? :

Question 12: What views do you have on the proposal by STV and UTV to extend peak time to 11pm, which would extend the window in which they could schedule regional content that must be shown in peak time?:
