**Freedom of Information: Right to know request**

Thank you for your request for information about 360 Solutions.

This was received by Ofcom on 27 September and it has been considered under the Freedom of Information Act 2000.

You asked:

*I spoke with your Ofcom representative... who confirmed that our number range on 02085363400 has been taken over by a company called 360 Solutions on the 9th February 2018. This was not at our request. Please can you forward detailed report from your investigation and do advise if you require anything further.*

We do not hold a “detailed report” in relation to the allocation of the number range as no investigation was carried out by us.

As the communications regulator, we are responsible for managing the allocation of UK numbering resource which we allocate to Communications Providers (“CP”). We allocate numbers to CPs in blocks of either 10,000 or 1,000, and it is only CPs who have sight of end user information such as specific phone numbers. We can confirm that your number is in a range allocated to BT.

We would advise you to lodge a complaint with the CP you are signed up to, and to ask them to investigate the matter.

If you have any queries, please contact [information.requests@ofcom.org.uk](mailto:information.requests@ofcom.org.uk). Please remember to quote the reference number above in any future communications.

Yours sincerely,

Jerin John
