## ALL RESPONDENTS

This study is being conducted on behalf of Ofcom, the regulator for the UK communications industry.

The purpose of the survey is to understand how people make decisions about which provider to use for their different communications services – such as home phones, mobile phones, TV services and the internet.

You can stop the survey at any point if you decide you no longer want to take part. The data we are collecting is for research purposes only and we rely on your consent to process the data.

Your answers to this questionnaire will remain completely confidential and anonymous unless you give us specific permission.

This is genuine research, no selling is involved at any stage, we simply would like your opinions for our survey.

Following the introduction of GDPR legislation we need to draw your attention to our Privacy Policy which explains your rights

All our surveys are conducted under the Code of Conduct of the UK Market Research Society and their contact number is in the Privacy Policy. Critical Research is an independent market research agency based in London.
