Yes

Additional comments:

Question 1: Do you agree that the existing obligations on Channel 3 and Channel 5 licensees in respect of national and international news and current affairs, original productions, and Out of London productions should be maintained at their current levels? If not, what levels do you consider appropriate, and why? :

Yes. But a review should be carried out in 10 years time.

Question 2: Do you agree with ITV's proposals for changes to its regional news arrangements in England, including an increase in the number of news

regions in order to provide a more localised service, coupled with a reduction in overall news minutage? :

I agree with an increase in news regions but no reduction in minutage.

Question 3: Do you agree with UTV's proposal for non-news obligations should be reduced to 90 minutes a week? If not, what alternative would you propose and why? :

Yes. This would bring it in line with other franchises.

Question 4: Do you agree with the proposals by STV to maintain overall minutage for regional content in the northern and central licence areas of Scotland at 5 hours 30 minutes a week, as detailed in Annex 3? If not, what alternative would you propose, and why? :

Yes.

Question 5: Do you agree with the proposals by ITV to maintain the overall minutage for regional content in Wales at 5 hours 30 minutes a week, as detailed in Annex 3? If not, what alternative would you propose, and why? :

Yes.

Question 6: Do you agree with the proposals by ITV to reduce the overall minutage for regional content in the Channel Islands from 4 hours a week to 3 hours 20 minutes as detailed in Annex 3, while maintaining the present provision of a 30 minute early evening regional news programme? If not, what alternative would you propose, and why? :

It should match other ITV franchises unless there is a fundamental reason for the need to be different. Could CTV become owned and operated by the Governments of the CIs?

Question 7: Do you have any views on any other aspects of the nations and regions programming and production obligations of the Channel 3 licensees? :

I would propose the abolition of Border and the creation of a Scottish franchise comprising different news and current affairs zones.

ITV main Regions:

NI

Scotland (one? depends on population size in relation to other franchises)

Wales

English political regions for franchises?

Greater Manchester a sub-region within North West?

Current franchises a bit non-sensical.

Question 8: Which option would you prefer in respect of the news and current affairs in the Border region, and why? :

I would propose the abolition of Border and the creation of a Scottish franchise comprising different news and current affairs zones.

ITV main Regions:

NI

Scotland (one? depends on population size in relation to other franchises)

Wales

English political regions for franchises?

Greater Manchester a sub-region within North West?

Question 9: If option 2 were to be adopted, should ITV be required to provide separate transmission for the Scottish and English parts of the region on DTT? :

Yes.

Question 10: If you would prefer a different option to those set out in Questions 8 and 9 above, please explain what, and why:

I would propose the abolition of Border and the creation of a Scottish franchise comprising different news and current affairs zones.

ITV main Regions:

NI

Scotland (one? depends on population size in relation to other franchises)

Wales

English political regions for franchises?

Greater Manchester a sub-region within North West?

Current franchises a bit non-sensical.

Question 11: Do you agree that the Border licence should be amended to reduce the proportion of regional production required to a sustainable level? If not, what proposals would you like to make? :

ITV main Regions:

NI

Scotland (one? depends on population size in relation to other franchises)

Wales

English political regions for franchises?

Greater Manchester a sub-region within North West?

Unsure.
