Dear Mr Knott

“Securing The Universal Postal Service”

I am pleased to submit the attached response to the above consultation on behalf of the Mail Competition Forum (MCF).

In doing so I should make it clear that whilst this response deals with a number of issues of key importance to MCF members there are other issues raised in your consultation which we have felt can be more appropriately covered when responding to the further consultations you have subsequently issued, in particular:

Draft enforcement guidelines, 31/10/11

Review of regulatory Conditions, 13/12/11

Statement of charging principles, 13/12/11

I should also add that individual MCF members will be submitting responses from the perspectives of their particular business models.

Yours sincerely

Mail Competition Forum
