

**Customer Satisfaction Tracker 2021 – Questionnaire with adults aged 16+**

**INTRODUCTION**

Hello, welcome to Yonder Surveys. Thank you for agreeing to take our survey.

We're conducting a study on behalf of Ofcom, the independent regulator of telecommunications, which protects the interests of consumers.

The aim of the study is to understand how satisfied people are with the providers they use for their different communications services (such as home phones, mobile phones, TV services and the internet).

The questions will take about 10-15 minutes. You can refuse to participate or stop the survey at any point. The data we are collecting is for research purposes only and we rely on your consent to process the data.

Full details of why we collect data and how it is used can be found in our privacy statement.
