Sara Winter
Ofcom
Riverside House
2a Southwark Bridge Road
London SE1 9HA

Dear Sara Winter

I am responding to Ofcom's consultation regarding audio description.

A number of blind and partially sighted constituents have contacted me regarding this and they unanimously support option 2, to increase the minimum number of audio described programmes to 20%.

They cite the invaluable benefit audio description brings to their enjoyment of television and more substantial provision would greatly enhance this.

Yours ~~/~~sincerely
