

Award of Wireless Telegraphy Act licences for the use of the 700 MHz and 3.6-3.8 GHz spectrum bands

Notification to Ofcom

Regulation 126 of the Wireless Telegraphy Act (Licence Award) Regulations 2020 states:

'If, in accordance with any provision of these Regulations, an applicant or bidder is required, or wishes, to notify OFCOM of any fact or circumstance, it must do so by notice in writing which is marked for the attention of the OFCOM personnel who are specified by OFCOM for that purpose on OFCOM's website and must deliver that notice to OFCOM by electronic mail to an electronic mail address dedicated to the award process which is published by OFCOM on their website.'

For the purposes of that regulation we have provided bidders with updated contact details to use throughout the auction. The details include an updated email address and contact name for use by bidders if they are required, or wish, to notify Ofcom of any fact or circumstance under regulation 126.
