Extra comment to previously sent including a potential Proposal for ITV's Regional News.

Question 1: Do you agree that the existing obligations on Channel 3 and Channel 5 licensees in respect of national and international news and current affairs, original productions, and Out of London productions should be maintained at their current levels? If not, what levels do you consider appropriate, and why? :

Question 2: Do you agree with ITV's proposals for changes to its regional news arrangements in England, including an increase in the number of news regions in order to provide a more localised service, coupled with a reduction in overall news minutage? :

I agree with the increase of Bulletins but not the proposed 10 minutes 'Out Of Area' coverage within their 6pm programme. I'm wondering if ITV would agree to making their Evening bulletins 15 minutes Sub-Regional, 15 minutes Pan-Regional (London, Meridian, Westcountry, Central, Anglia, Granada, Yorkshire, Tyne Tees, Border) instead of their 20

minutes Sub-Regional/10 minutes Out Of Area proposal. I believe this would offer a better service to viewers. I believe a 30 minute Current Affairs programme for each Pan-Region would be good for the viewer too.

Question 3: Do you agree with UTV's proposal for non-news obligations should be reduced to 90 minutes a week? If not, what alternative would you propose and why? :

Question 4: Do you agree with the proposals by STV to maintain overall minutage for regional content in the northern and central licence areas of Scotland at 5 hours 30 minutes a week, as detailed in Annex 3? If not, what alternative would you propose, and why? :

Question 5: Do you agree with the proposals by ITV to maintain the overall minutage for regional content in Wales at 5 hours 30 minutes a week, as detailed in Annex 3? If not, what alternative would you propose, and why? :

Question 6: Do you agree with the proposals by ITV to reduce the overall minutage for regional content in the Channel Islands from 4 hours a week to 3 hours 20 minutes as detailed in Annex 3, while maintaining the present provision of a 30 minute early evening regional news programme? If not, what alternative would you propose, and why? :

Question 7: Do you have any views on any other aspects of the nations and regions programming and production obligations of the Channel 3 licensees? :

Question 8: Which option would you prefer in respect of the news and current affairs in the Border region, and why? :

Question 9: If option 2 were to be adopted, should ITV be required to provide separate transmission for the Scottish and English parts of the region on DTT? :

Question 10: If you would prefer a different option to those set out in Questions 8 and 9 above, please explain what, and why:

Question 11: Do you agree that the Border licence should be amended to reduce the proportion of regional production required to a sustainable level? If not, what proposals would you like to make? :

Question 12: What views do you have on the proposal by STV and UTV to extend peak time to 11pm, which would extend the window in which they could schedule regional content that must be shown in peak time? :
