

**The Breeze Torbay Q&As (non-confidential)**

**In the Format (section 4 of the application) you have left the sections “Studio location” and “Programme sharing” unanswered. Please could you indicate why you have done this.**

Studio location and programme sharing sections are marked (if applicable). As we have no plans for programme sharing or co-location these are not applicable. We would be happy for the words “not applicable” to be inserted in these sections.
