Freedom of Information: Right to know request

Thank you for your request for information about issuing amateur radio licences. We received this request on 2 September 2021 and have considered it under the Freedom of Information Act 2000.

You asked:

'Could you provide the number of amateur radio licences issued since the examination process moved online due to the COVID19 pandemic? Would you be able to possibly break it down into foundation and intermediate licenses? Thank you.'

Our response

We have taken the date on which examinations moved online due to the pandemic as 6 April 2020, as stated on the [Radio Society of Great Britain website](#). Please see the table below for a break down of newly issued licences since then.

Licence Type	Number of licences
Amateur Foundation Radio Licence	3,648
Amateur Full Radio Licence	1,032
Amateur Intermediate Radio Licence	1,135

I hope this information is helpful. If you have any queries, then please contact information.requests@ofcom.org.uk. Please remember to quote the reference number above in any future communications

Yours sincerely,
