**Subject:** RE: Valleys Radio Co Location

To Whom it may concern:

I am writing on behalf of the Coal Industry Social Welfare Organisation (CISWO), we are a nationwide charity supporting mineworkers and their families. We have recently worked with Valleys Radio to raise awareness of the work of our charity. We are happy with the service that Valleys Radio provided us with and would like to support their proposal to co-locate Valleys Radio, Swansea Sound and The Wave in a single UTV South Wales Headquarters such as the one being proposed at Swansea Gate Business Park

If you require any further information, please do not hesitate to contact me,

Kind Regards
