NOTIFICATION MODIFYING AND SETTING UNIVERSAL SERVICE CONDITIONS UNDER SECTION 48(1) OF THE COMMUNICATIONS ACT 2003

BACKGROUND

A. The Director General of Telecommunications published on 22 July 2003 a notification setting universal service conditions (the “Universal Service Conditions”) applicable to British Telecommunications plc and Kingston Communications (Hull) plc under section 45 of the Act which took effect on 25 July 2003 by way of a notification pursuant to section 48(1) of the Act (the “2003 Notification”).

B. On 24 February 2011, Ofcom published a notification under section 48(2) of the Act setting out proposals to modify the 2003 Notification and the Universal Service Conditions set out therein as well as to set new universal service conditions (the “First Notification”).

C. A copy of the First Notification was sent to the Secretary of State in accordance with section 50(1)(a) of the Act and to the European Commission in accordance with section 50(6)(a) of the Act.

Whilst the Regulations come into force on 26 May, Ofcom is able to proceed to make decisions in the anticipatory exercise of its new or amended powers, pursuant to section 13 of the Interpretation Act 1978, in order to meet the Community law transposition deadline of 25 May 2011.

G. By virtue of section 48A(6) and (7) of the Act, Ofcom may give effect to the proposals with respect to which it has published a notification, with any modifications that appear to Ofcom to be appropriate, where Ofcom has:

(i) considered every representation about the proposals made to Ofcom within the period specified in the notification; and

(ii) had regard to every international obligation of the United Kingdom (if any) which has been notified to Ofcom for this purpose by the Secretary of State.
H. Ofcom received responses to the First Notification and has considered every such representation made in respect of the proposals set out in the First Notification (and the accompanying explanatory statement); and the Secretary of State has not notified Ofcom of any obligation of the United Kingdom for this purpose.
