

**Question 1: Should Chorley FM be permitted to make its proposed changes to the key commitments of Chorley FM, with particular regard to the statutory criteria set out in Section 1 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as modified by the Community Radio Order 2004).:**

No. The little LGBT content they do provide is a big support for those people who identify as such in the community and they should do more of this. The station should also be less hostile to new volunteers and take on more to do more live programming.
