

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

No I do not, these days most people in this country do not know or even trust thier neughbours. Post will go missing, people will say they have not got it and when you go back to the post office they will not want to know. I have had first hand experiance already of this when they delivered an expensive item to another address and would not do anything about getting it back.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:
