

## Consultation response form

Please complete this form in full and return to [ngso.licensing@ofcom.org.uk](mailto:ngso.licensing@ofcom.org.uk).

### Your response

Question	Your response
<p><b>Question 1: Do you anticipate this satellite network will pose coexistence challenges to existing services?</b></p>	<p><i>Is this response confidential? – / N</i>            At this time there is almost 5,000 Satellites orbiting the earth, it is estimated that by the year 2030 at the present rate of insertion there will be 100,000 satellites in orbit            This is ludicrous activity and very dangerous it is only a matter of time that a falling satellite will cause a serious incident, someone has to press the stop button and regulate this activity.</p>
<p><b>Question 2: Are the measures set out by the applicant to enable coexistence with future systems reasonable?</b></p>	<p><i>Is this response confidential? – Y / N (delete as appropriate)</i></p>
<p><b>Question 3: Do you believe this application would benefit or harm future competition between NGSO services in the UK? Please provide details.</b></p>	<p><i>Is this response confidential? – Y / N (delete as appropriate)</i></p>
<p><b>Question 4: Do you have any additional concerns or comments regarding this application?</b></p>	<p><i>Is this response confidential? – Y / N (delete as appropriate)</i></p>
