

**Response to *Geographic telephone numbers: safeguarding the future of geographic numbers* consultation published 20 March 2012**

**Submitted by: Lucas, Mr P**

**Question 1i: Do you have any comments on i) our proposal to close local dialling in the Bournemouth 01202 area code on 1 November 2012:**

The plan is plain daft and will inconvenience thousands of people on a daily basis. Instead, new numbers could be allowed to be one digit longer.

**Questions 1ii to 5: no comment**
