Dear Sara Winter

Re: 2009 Ofcom Access services review

Audio description is a brilliant service that has completely revolutionised my enjoyment of television. It's a narrative that describes the action, body language, facial expressions or scenery - all things that I might otherwise miss.

I understand the Ofcom Access Services review includes three options for the future of audio description. I am requesting that Ofcom choose option two and increase audio description to 20 per cent across all channels.

Please take onboard my request for an increase of audio description to 20 per cent.
