**Ofcom may publish a response summary:**

Yes

**I confirm that I have read the declaration:**

Yes

**Additional comments:**

Amateurs do not use frequencies currently allocated now so what is the point of giving them more.  
What is the ulterior motive, there is no such thing as a free lunch in this day and age!

**Question 1:Do you agree with the proposed approach for**

**spectrum management?:**

No

**Question 2:Do you agree with the proposed approach for Business Radio assignments?:**

Yes

**Question 3:Do you agree with the proposal to allocate spectrum for Maritime and/or Land Search and Rescue use?  
:**

Yes, definitely

**Question 4:Do you agree with the proposal to make some spectrum not currently assigned to other applications available on a temporary for Amateur Radio use with these restrictions?:**

What is the point when most Amateur frequencies are deathly quiet.  
You could definitely NOT make a business plan support the idea.
