SOURCES FOR NEWS

INTERVIEWER PLEASE READ THIS OUT

I would now like to ask you some questions about your personal use of news.

We know from talking to other people that they get news in different ways. Some people tell us that they watch TV or listen to the radio in the morning, while they're getting up or driving to work. Others read newspapers or look at news on their mobiles on their commute, or read it online throughout the day either on a PC or laptop or via a mobile phone app. Some people get news updates through social media such as Facebook and Twitter and many people watch the news on TV in the evening or have the radio on in the background while they are doing other things.

So when answering the following questions, please think about your whole day and all the times you might be in contact with news

By 'news' I mean news and current affairs in <[TEXT AS BELOW]>FILTERED, across the UK and from around the world.

<FILTERED> - 'YOUR REGION' IN ENGLAND, 'WALES', 'SCOTLAND', 'NORTHERN IRELAND' IN RESPECTIVE NATIONS
