   7. Other mobile device
   8. None of these
   9. DON’T KNOW [BUTTON]

ASK ALL WHO PERSONALLY USE A MOBILE PHONE (QC1=1).
(SINGLECODE)
QC2) Do you personally use a Smartphone? A Smartphone is a phone on which you can easily access
emails, download files and apps, as well as view websites and generally surf the internet. Popular brands of
Smartphone include iPhone, Blackberry, Android phones such as the Samsung Galaxy Note or Microsoft
Windows phones such as Nokia Lumia.
   1. Yes
   2. No
   3. DON’T KNOW [BUTTON]

SOURCES FOR NEWS

INTERVIEWER PLEASE READ THIS OUT
I would now like to ask you some questions about your personal use of news.

We know from talking to other people that they get news in different ways. Some people tell us that they
watch TV or listen to the radio in the morning, while they’re getting up or driving to work. Others read
newspapers or look at news on their mobiles on their commute, or read it online throughout the day either
on a PC or laptop or via a mobile phone app. Some people get news updates through social media such as
Facebook and Twitter and many people watch the news on TV in the evening or have the radio on in the
background while they are doing other things.

So when answering the following questions, please think about your whole day and all the times you might
be in contact with news.

By ‘news’ I mean news and current affairs in <[TEXT AS BELOW]>FILTERED, across the UK and from around
the world.

<FILTERED> - ‘YOUR REGION’ IN ENGLAND, ‘WALES’, ‘SCOTLAND’, ‘NORTHERN IRELAND’ IN RESPECTIVE
NATIONS
