

Gilmour, Mr

Consultation question:

Should regional radio station Capital FM (Scotland) be permitted to make the changes to its Character of Service as proposed with particular regard to the statutory criteria as set out in the summary? (The Broadcasting Act 1990 Section 106 (1A) (b) and (d) relating to Format changes).

No, one of the main reasons Xfm/Beat106 was such an enjoyable station was for its commitment to new music on Scotland. I feel that a UK com[any is now trying to squeeze out so much potential in aid of regurgitated pop music 24/7. Music should be enjoyed by all, not just those who enjoy the the top 40. Thats what a chart show is for.
