Freedom of Information: Right to know request

Thank you for your request for information where you asked about the National Broadband Checker Data.

This was received by Ofcom on 14 September and it has been considered under the Freedom of Information Act 2000.

You asked:

Ofcom's website provide "Broadband Checker" to allow individuals to input a postcode to request the predicted broadband speed of the postcode showing in a map. Could the national data be available in csv or excel file, i.e. list of postcodes (or location grids) with the predicted broadband speed, for research purpose. Thanks.

You may find it helpful to visit our website where we publish a list of previous Freedom of Information responses as we have responded to a similar request:
