

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

No approval should not be granted.

Neighbours in dispute would be very unwilling to help one another.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

Highlighting ones unwillingness by STICKER not receive, does not maintain the right to private/personal thoughts, and could add fuel to an ongoing dispute.

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:

In Section 3.3 Ofcom consultation

Disagree with allowing unregulated postal services.

The wording that "Ofcom may impose under Part 3 of the Act9" sounds very weak.
