

Request for Information

Thank you for your request for information dated 5 August about ownership and usage patterns for internet connected devices within Greater Manchester, which we have considered under the Freedom of Information Act 2000.

We do not hold that information.

However, within our Tech Tracker tables we do have information for England for the regions of London, South East, South West, East Mids, West Mids, East of Eng, Yorks & Humber, North East, North West.

If this information is of help you can find it via the following link:

Kind regards
Julia Snape

If you are unhappy with the response or level of service you have received in relation to your request from Ofcom, you may ask for an internal review. If you ask us for an internal review of our decision, it will be treated as a formal complaint and will be subject to an independent review within Ofcom. We will acknowledge the complaint and inform you of the date by which you might expect to be told the outcome.

The following outcomes are possible:

- the original decision is upheld; or
- the original decision is reversed or modified.

Timing

If you wish to exercise your right to an internal review **you should contact us within two months of the date of this letter.**

There is no statutory deadline for undertaking internal reviews and it will depend upon the complexity of the case. However, we aim to conclude all such reviews within 20 working days, and up to 40 working days in exceptional cases. We will keep you informed of the progress of any such review. If you wish to request an internal review, you should contact:

Steve Gettings
The Secretary to the Corporation
Ofcom
Riverside House
2a Southwark Bridge Road
London SE1 9HA

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
SK9 5AF

I have read the Communications Market Report and would like to obtain more detail about ownership and usage patterns for internet-connected devices (especially smartphones and tablets) within Greater Manchester and, if possible, see variation within the different parts (e.g. Salford). I would like data from 2016 and also the change compared with previous years. If you have data on wearable devices (e.g. fitbits) that would also be of interest.
