

**Question 1:** Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If no i do not. it means a neighbour could accidentally open private mail and have access to sensitive information. What for example if unknown to me the neighbour is a criminal ? This would raise the risk of ID theft or worse.

**Question 2:** Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please

risk of theft and burglary as a result of it being obvious to post personnel that property is empty at certain specific times.
