Hello [REDACTED],

I will get back to you once I know the people who will be involved. I think it will be a mix from our side as I will also need to get someone from our telecoms side as well as spectrum.

Regards

Thank you for your email and apologies for the blank email which I sent this morning - continuing problems with our IT system.

On a separate but related note, do you know what format the announcement tomorrow will take? I assume that it will be a statement on your website announcing the outcome of the consultation and launching the consultation on the regulations. Is this about right? I am asking as I will need to prepare something for our press office who will inevitably be asked for our view following the announcement.

Many thanks

Hello

Yes it will be published on the website as a joint statement and consultation on the draft regulations. Usually we publish around 10am and an update notice will be sent to everyone that subscribes to the ofcom updates on spectrum.

Subject: Home Office contact

Hello [REDACTED]

We have received a request from an individual involved in COMUGs to speak to someone at the Home Office. I was wondering if you could provide us with a contact that we can direct to him to. Unfortunately his email does not go into detail regarding what he wishes to discuss. For information the individual emailed myself but also copied in Sharon White and Amber Rudd.

On a separate note I have had discussions here and identified a number of people who will be able to discuss the COMUG issue further. If you can advise what the agenda/ areas of discussion might be I can make the arrangements to have correct people at the meeting.

Regards

In relation to the first point if he has emailed the Home Secretary then it should reach us from her private office. However, until we know who he is and what he wants I would be grateful if you could point him to our public enquiries address ([Public.Enquiries@homeoffice.gsi.gov.uk](mailto:Public.Enquiries@homeoffice.gsi.gov.uk)).

Thanks [REDACTED]

I will advise the person to go via the [Public.Enquiries@homeoffice.gsi.gov.uk](mailto:Public.Enquiries@homeoffice.gsi.gov.uk) email address.

Ok the discussion that is fine. If you let me know potential dates I will organise things form our side.

Just to note that [REDACTED] is out of the office for the next couple of weeks due to illness. If you have anything to send through can you also copy me in.
