Additional comments:

Just face the fact that 070 will ALWAYS be abused if you let people charge premium rates for it! Cut it to 10p per minute maximum and the amount of these scams would immediately plummet while still allowing enough to cover the cost of diversion to most countries at today's rates!

The biggest scam of all is Ofcom themselves putting premium rate numbers on 07 so that everyone thinks it's the same cost as a normal call, this is disgusting!!!
