Question 1: a) Do you consider that the rule in relation to ?adult-sex? material needs to be clarified? b) Do you agree with our proposed amendments to the rule on ?adult-sex? material (Proposed Rule 1.18 to replace Rule 1.24)? c) If you do not agree with our proposed amendments, please explain why and suggest alternative wording where appropriate.:

The permissive society and the sexual revolution has been a disaster for our nation. Historical studies show conclusively: that no society in history has been able to survive for long without a strong moral code, and, that immorality corrupts individuals and destroys societies! Moral and spiritual values have been in constant decline in Britain since the nineteen fifties. The results are: a ten-fold increase in crimes and enormous increases in social problems: WE REAP AS WE SOW! A study of 88 civilisations in the 1940's by Professor J.D. Unwin from Cambridge University showed that, whenever there was widespread promiscuity, premarital sex, infidelity and same-sex relationships the civilisation was dead within 3 generations- with no exceptions!

Pornography is the antithesis to our creator's blueprint for an ideal world, which consists of a man and a woman living together in a God centred marriage, living for the sake of each other and for the good of all mankind; living in accordance with the moral and spiritual laws and producing children. The sexual act is meant to be a holy act of love between a man and a woman, in private. The media etc., debase, degrade and drag into the gutter the sexual act, by constantly portraying sex as a recreational sport!

Porn destroys love which is the most important ingredient for human wellbeing and happiness. Porn lowers the value of human beings. it encourages men to regard women as objects and not as real people. Porn addicts lose self respect and respect for others. By creating desire without fulfillment and destroying moral integrity, far from keeping potential murders and rapists off the streets, porn encourages the state of mind which makes violent sexual crimes possible.

Calgary(Canada) University Research Director -Professor Violata-reveals that pornography leads to behavioural , psychological and social problems. "Our study involved more than 12,000 participants and very rigorous analysis. As a society we need to move towards eradicating it." Ted Bundy the infamous serial rapist and murderer testified as to how he ended up murdering and raping. He continually needed to go to higher levels to satisfy his sexual lusts. He ended up looking at hard core pornography and then murdering and raping. Superintendent Hames former Head of New Scotland Yard's Obscene Publication's Squad: " The vast majority of murderers, serial rapists and child molesters indulge in pornography. We must fight to protect society from evil monsters who purvey pornography for profit." There is only one set of criteria for judging media standards: That criteria has to be based according to the moral and spiritual laws, which are there for our well-being and protection. When a christian ethos was prevalent in this country in the pre-TV 1950's people could safely walk the streets and divorce and teenage pregnancies were rare. Television has been a cancer for our society with the ever increasing levels of sex, violence and bad language fuelling the yob culture.

Our nation desperately needs a religious ethos to be prevalent again, when manners, courtesy, respect, decency, modesty, chivalry etc. would be the norm.

The "anything goes" attitude by the media etc. has had devastating consequences for our nation, especially the young people. Until we get true proper values predominant again in our society, we shall see continuous increases in crimes and social problems.

Again I repeat: THERE IS ONLY ONE SET OF CRITERIA FOR JUDGING MEDIA STANDARDS: THE MORAL AND SPIRITUAL LAWS!
